EPG Companies Inc. specializes in the manufacture of **landfill leachate pumps & controls, sump drainers, remediation equipment, telemetry hardware and SCADA systems** and other environmental and industrial products.

Dear Mike,

EPG's newest addition to our sales rep network is **Terra Midwest Sales**. **Dan Rice** (owner) visited EPG recently to meet face-to-face with the entire EPG staff.

For more than 10 years, Dan has been involved in the installation and service of EPG pumps and controls throughout the Southwest United States. His detailed approach and desire to innovate and maintain high standards will be a great benefit to EPG and our customers.

Head wall design and installation by Dan Rice

Terra Midwest Sales will represent EPG in **Kansas, Missouri, Tennessee and Kentucky**. Join us in welcoming Dan on board!

Product Highlight - Level Transmitters / Pressure Transducers

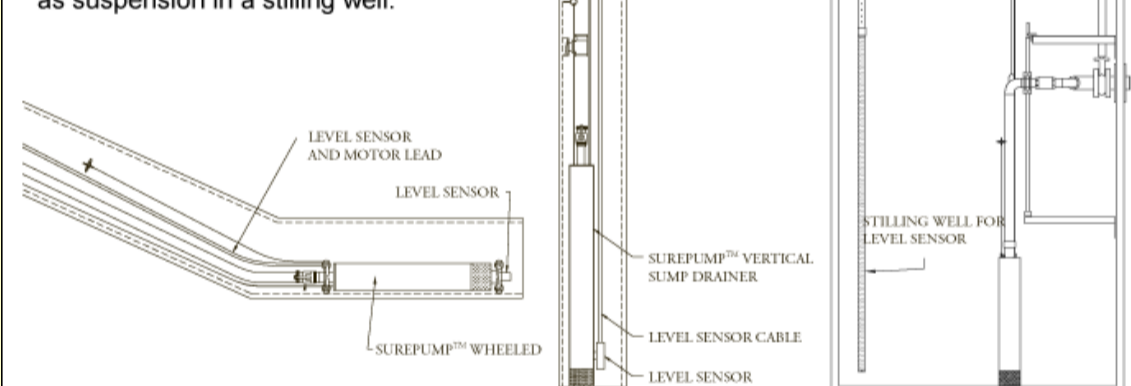

[Download Flyer](#)

EPG submersible level transmitters are specifically designed to meet the rigorous environments encountered in liquid level measurement and control. They can be configured to perform to specifications under the most adverse, reactive conditions including, side slope risers, sumps, gas wells & gas condensate sumps, tanks, reservoirs and settling ponds.

Product Details:

- Made for rugged use in harsh environments
- 316 stainless steel construction, small diameter, easy to install
- Compatible with the EPG SurePump™ or can be used in stand alone applications
- Fully submersible in any liquid, sinks easily to any depth
- Withstands outside interference, extremely accurate continuous measurement
- Sensor lead wire includes breather tube for atmospheric pressure compensation
- 0-55" thru 0-460' (0-2 PSI thru 0-300PSI)
- Additional Ranges Available

Level sensor installation for both horizontal and vertical SurePump applications as well as suspension in a stilling well.

Suitable applications include:

- Landfills
- Gas Condensate
- Lift Stations
- Tanks
- Wet Wells
- Reservoirs
- Monitoring Wells
- Wastewater
- Chemicals
- Hydrocarbons
- Groundwater
- Potable Water

Contact an Applications Specialist at **1-800-443-7426** or email us at info1@epgco.com for more information.
